CASE NO. 0:22-cv-60390

BUGS EXTERMINATORS TERMITE
AND PEST SERVICES, INC.;

AND PEST CONTROL, INC.;

CHERYL L. WHYRE;

Defendants.

COMPLAINT

Plaintiff IOU sues the Defendants as follows:

1. Plaintiff is incorporated in Delaware, whose principal place of business is located in Georgia, which is a citizen of both states per 28 U.S.C. § 1332.

2. Defendants Jeremiah Whyre [Debtor] and Cheryl Whyre [Co-Debtors] are domiciled in and citizens of Florida per § 1332. Defendant Bugs Exterminators Termite and Pest Services Inc [Business] is incorporated in Florida, the location of its principal place of business as is Defendant Bugs Exterminators Termite and Pest Control, Inc [BETPC] per §1332.

3. Debtors are officers, owners or other agents of Businesses. Defendants have authority to act on behalf of each other, such as the transactions and conduct at issue.

4. Per § 1332, jurisdiction exists in this case based upon diversity of citizenship between the parties and the amount in controversy exceeds \$76,000.00, such as relief in law or

equity. Per § 1367, jurisdiction exists over all claims. The case concerns debt, property and relief valued in excess of \$76,000.00, including damages and fees recoverable by contract and statute.

5. Under 28 U.S.C. § 1391 and § 89, venue is proper as a substantial part of the events or omissions giving rise to the claims occurred here or Defendants consented to this venue and personal jurisdiction here to which they are subject. The Loan at issue and its governing Instruments stipulate they were applied for, considered in, funded from and due to be performed in Georgia. They are governed by Georgia law, applicable to all claims at issue, which may be enforced here or in Georgia, waive defenses of personal jurisdiction and venue, as Defendants agreed, who subjected themselves to jurisdiction in either forum with their property and assets. Co-Debtor is related to Debtor, both Businesses and is bound by the Instruments, per their common ownership of both Businesses, of property secured by the Loan or other conduct in which they participated. It was foreseeable that all Defendants would be bound by the Instruments, per their terms, whose rights derive from Debtor and Businesses as detailed below.

6. Personal jurisdiction exists and is otherwise proper under Fla. Stat. § 48.193 *et seq* and the Constitution as to Defendants, their property and assets. They regularly engage in foreseeable, intentional, continuous, and systematic contacts here, reside here, conduct business or perform work here, contract with citizens here or own property here. They have sufficient minimum contacts, in general and as to this case. Exercising jurisdiction over them here does not violate their right to due process or offend traditional notions of fair play and substantial justice.

7. Defendants conduct their exterminating businesses as an enterprise, sharing offices, officers, staff, property and assets, with common ownership, management and finances.

8. Businesses and Debtors, applied for a commercial loan [Loan] at Plaintiff's Georgia office. They represented in the application process that Debtors could bind the

Businesses, had the ability and intent to comply with the Loan, whose application information was truthful, upon which Plaintiff materially relied, which Defendants assumed adopted and ratified. Debtors and Businesses did not disclose any issues with them to Plaintiff.

9. On or about 7/19/21 [Closing], Business, through Debtor, executed and delivered a sworn Note to Plaintiff for a gross loan amount/principal sum of \$763,000.00 at Plaintiff's Georgia office, in exchange for its Funds, with a loan guaranty fee, confirming all information in the loan application process which the Defendants assumed, adopted and ratified [Note ¶¶ 1-5].

10. The Note is breached and in default if (i) its amounts are not received when due; (ii) Business breaches its warranties, representations, covenants, terms or conditions (iii) default under any guaranty or instrument, to enhance the Loan's underwriting; a bankruptcy, insolvency or receivership proceeding is commenced by or as to Business and not dismissed within 30 days (iv) Business ceases to exist (v) obtains another loan without written permission [Note ¶ 6].

11. The Note is the unconditional legal obligation of Business to satisfy the Loan, with all others who become liable for it, such as the other Defendants, who assumed, adopted and ratified the Note and waived any defenses to the Note, aside from payment, which provides:

Borrower and all others who become liable for the payment of all or any part of the amounts due under this Note do hereby severally waive: (i) presentment and demand for payment; (ii) notice of dishonor, protest and notice of protest, acceleration and intent to accelerate, non-payment and all other notices of any kind, except for notices expressly provided for in this Note; and (iii) any defense, including but not limited to the defense of the statute of limitations in any action or proceeding brought for the obligations due, arising under or related to this Note aside from the defense of payment in full. No notice to or demand on Borrower shall be deemed to be a waiver of the obligation of Borrower under this Note or the right of Lender to take further action without further notice to Borrower. [Note ¶13].

Borrower is and shall be obligated to pay principal, interest and any other amounts which shall become payable hereunder absolutely and unconditionally and without any abatement, postponement, diminution or deduction and without any reduction for counterclaim or setoff [emphasis added] [Note ¶14].

12. The Note is governed by Georgia law and all others who are or become liable for or are bound by the Loan are subject to jurisdiction and venue in any action arising from or relating to the Loan [Note ¶¶ 20, 23, 24] which the Defendants assumed, adopted and ratified.

13. The property and assets of Business, with and all others who are or become liable for or are bound by the Loan, are encumbered as its collateral under a Security Agreement in the Note, which the Defendants assumed, adopted and ratified, which provides:

As security for the due and punctual payment of all amounts due or to become due and the performance of all obligations of Borrower from time to time under this Note and all extensions, renewals and amendments of any of the foregoing Borrower hereby pledges, transfers, assigns, conveys and grants a security interest to a continuing lien upon and security interest in and to all of Borrower's now owned or hereafter acquired, created or arising property including any right, title or interest in or to property of any kind whatsoever, whether real, personal or mixed, and whether tangible or intangible, and in each case regardless of where such Property may be located and whether such Property may be in the possession of Borrower, Lender or a third party and shall include any right, title or interest in or to property of any kind whatsoever, whether real, personal or mixed, and whether tangible or intangible and (1) any and all amounts owing to Borrower now or in the future from any merchant processor(s) processing charges made by customers of Borrower via credit card or debit card transactions: and (2) all other tangible and intangible personal property, including, but not limited to: (a) inventory, (b) equipment, (c) investment property, including certificated and uncertificated securities, securities accounts, security entitlements, commodity contracts and commodity accounts, (d) instruments, including promissory notes, (e) chattel paper, including tangible chattel paper and electronic chattel paper, (f) documents, (g) letter of credit rights, (h) accounts, including health care insurance receivables, (i) deposit accounts, (j) general intangibles, including payment intangibles and software, and (k) as-extracted collateral as such terms may from time to time be defined in the Uniform Commercial Code. The collateral includes all accessions, attachments, accessories, parts, supplies and replacements for the collateral, all products, proceeds and collections thereof and all records and data relation thereto [Note ¶ 21].

14. The Note and Security Agreement are enforceable by remedies such as but not limited to repossession, replevin, judicial foreclosure or prejudgment or provisional remedies relating to any collateral, security or property interests of Business and Debtors for debt owed under the Loan [Note ¶ 25] which Defendants assumed, adopted and ratified.

15. On or about the Closing, Debtor and BETPC each executed and delivered Guarantees of the Note and Security Agreement to Plaintiff, again confirming all information in the loan application process which Defendants assumed, adopted and ratified [Guaranty p. 1].

16. The Guarantees are breached and in default based upon a breach of and default on their terms or any breach of and default on the Note [Guaranty p. 1].

17. The Guarantees reflect the unconditional legal obligation[s] of Debtor and BETPC to satisfy the Loan, with all others who become liable for them, with their estates, executors, administrators, heirs, successors and assigns, such as Co-Debtor who assumed, adopted and ratified them and waived any defenses to them aside from payment, which provide:

In consideration of the loan made by Lender to Borrower, Guarantor hereby absolutely and unconditionally guarantees both payment of, and collection of, the Guaranteed Debt when due under the terms of the Note. Guarantor will pay the Guaranteed Debt in full, without setoff or counterclaim upon Lender's demand. [emphasis added] This Guaranty shall not be affected by the genuineness, validity, regularity or enforceability of the Note, or by circumstances relating to the Note that might otherwise constitute a defense to this Guaranty. Guarantor acknowledges that there may be more than one Guarantor of the Guaranteed Debt and agrees that, in such circumstances, each Guarantor shall be joint and severally liable for the Guaranteed Debt. [Guaranty ¶ 2].

This Guaranty is a continuing and irrevocable guaranty of the Guaranteed Debt and shall remain in full force and effect until the Guaranteed Debt, and any other amounts payable under this Guaranty, are paid in full. This Guaranty shall continue to be effective, or be reinstated, as if such payment had not been made, if at any time any payment of any portion of the Guaranteed Debt is rescinded or must be restored or returned by Lender to Borrower upon the insolvency or bankruptcy of the Borrower or otherwise This Guaranty shall: (i) bind Guarantor and Guarantor's executors, administrators, successors and assigns, [emphasis added] provided that Guarantor may not assign rights or obligations under this Guaranty without Lender's prior written consent; and (ii) inure to the benefit of Lender and its successors and assign [Guaranty ¶ 3].

Guarantor and all others [emphasis added] who become liable for the payment of all or any part of the amounts due under this Note severally waive: (i) presentment and demand for payment; (ii) notice of dishonor, protest and notice of protest, acceleration and intent to accelerate, non-payment and all other notices of any kind, except for notices expressly provided for in this Note; and (iii) any defense

in any action or proceeding brought for the obligations due under this Guaranty aside from the defense of payment in full. No notice to or demand on Guarantor shall be deemed to be a waiver of the obligation of Guarantor under this Guaranty 5 or the right of Lender to take further action without further notice to Guarantor. [Guaranty ¶ 8].

18. The Guarantees are governed by Georgia law. All others who are or become liable for or are bound by the Loan are subject to jurisdiction and venue in any action arising from or relating to the Loan [Guaranty ¶¶ 10, 12] which the Defendants adopted and ratified.

19. The property and assets of Debtors and Businesses, with and all others who are or become liable for or are bound by the Loan, are encumbered as its collateral under the Security Agreement in the Note, which Defendants ratified, as the Guarantees provide:

Guarantor agrees that the Guaranteed Obligations shall consist of all obligations of any Borrower under the Note, including: (i) the Principal Note Amount and Loan Guaranty Fee; (ii) Note Interest; (iii) Default Interest; (iv) Late Charges, (v) Insufficient Funds Charges; (vi) the Security Agreement in the Note, which is secured by Guarantor's property to the same extent as the Borrower's property under the Security Agreement and the provisions of which are hereby incorporated by reference against the Guarantor as if the Guarantor had executed the Security Agreement in the Note; (vii) any amounts owed as a consequence of a declared Event of Default and acceleration by Lender; and (viii) Lender's other costs and expenses of enforcing the Note including, but not limited to, attorneys' fees, and the costs of any court/arbitration proceeding to enforce the Note against Borrower [Guaranty ¶1].

20. Plaintiff may enforce the Loan as to Debtor and all others who become liable for and are bound by the Loan under the Guarantees, such as all Defendants, with its same methods and remedies in the Note such as the Security Agreement [Guaranty ¶ 11, 14, 20].

21. At the Closing, Debtor executed a Debit Agreement with Business to Plaintiff, authorizing Loan payments from their account into Plaintiff's account, certifying its purpose and their account, which the Defendants ratified and adopted.

22. At the Closing, Debtors and Business received the Loan Funds by wire transfer into their account from Plaintiff's account to which all Defendants ultimately ratified.

23. Defendants assumed and adopted and ratified the Note, Guarantees, Security and Debit Agreements, any Modifications [Instruments] and conduct at issue. Business and BETPC are jointly owned and operated by Debtors. Business is “a family owned and operated business and has been specializing in pest control services since 1979” *see* www.bugsexterminatorsfl.com linked to BETPC’s site, www.bugsexterminatorsinc.com. Debtor has a “net worth of 250 million.” www.laprogressive.com/jeremiah-whyre; <https://jeremiahthetycoon.com>. Debtor and Businesses “allegedly did over 4 million dollars in revenue” in 2019 but only reported “about 1 million” as Debtor admitted in Broward Circuit Case No. 062020CA018676, seeking forfeiture of nearly \$60,000.00 of Debtor’s funds per alleged money laundering by him and Business.

24. On 10/17/21, Articles of Dissolution of BETPC were filed with the Secretary of State [SOS] allegedly signed by Leonard Dupont, stating “owner passed” and “no debt of BETPC remains unpaid” and its “net assets remaining after windup were distributed” and its dissolution was authorized by “a majority of its incorporators or directors.” BETPC’s address was changed to that of Business. On 10/17/21, Co-Debtor filed an Amended Report with SOS, signed by her, stating she and Dupont are BETPC’s officers. On 11/4/21, a Notice was filed with SOS by Felix Strong, stating he owned BETPC with Dupont, its founder, who died 9/30/21 and that Strong is BETPC’s owner, in which Debtors were involved. The Notice states Dupont’s grandsons, Debtor and Cory Osborne, plus his daughter, Co-Debtor, filed the Dissolution, to which they signed Dupont’s name, without Strong’s consent. Strong then filed a Revocation the Dissolution on 10/17/21 and 12/29/21. These legal issues were undisclosed to Plaintiff during the application process for the Loan for which all Defendants are responsible.

25. The Instruments secure and encumber the property and assets of Defendants, such as but not limited to the below ones, which Defendants use to operate their enterprise:

(a) MVR VIN: SADCT2FU8MA665551 Year: 2021 Make: Jaguar Model: R-Dynamic S Style: 4 Dr Wagon Sport Utility Base Price: \$65,200.00, acquired on 7/14/21 by Business and Debtor with the Funds from the current Loan or Prior Loan.

(b) MVR VIN: WDDUG8DB6KA425846 Year: 2019 Make: Mercedes-Benz Model: 560 Style: Sedan 4 Door Base Price: \$101,350.00, acquired on 7/14/21 by Business and Debtor with the Funds from the current Loan or Prior Loan.

(c) MVR VIN: 1GCEC14X39Z245541, Year 2009 Make, Chevrolet Silverado Truck acquired by Business in 2018, maintained with the Funds from the current or Prior Loan.

(d) MVR WBAFR7C59DC818635, Year 2013, Make BMW, Model 535 White Sedan, acquired by Debtors in 2018.

(e) Other vehicles too numerous to list here, owed by Business and/or Debtors.

(f) The interests of Debtors in Business, BETPC and any other business, of which they are agents, owners, members and officers, which they owned at any time.

(g) Co-Debtor and BETPC “became liable” for the Loan, as “successors and assigns” of Debtor and Business and are subject to the Instruments. BETPC assumed the Loan, or merged with Business, are its continuation or combined with it to fraudulently avoid their debt. Business and BETPC share management, business, operations, assets and property. Co-Debtor and BETPC are closely related to Businesses and Debtor. It was foreseeable they would be bound by the Loan, whose rights are derivative of Business and Debtor, whose conduct requires this result.

(h) These and other properties and assets of the Defendants are not subject to a homestead or other protection or exemption, waived by the Instruments or by their misconduct, which were purchased, improved or maintained with the Funds, or are otherwise invalid.

(i) The properties and assets of Defendants are subject to any UCC-1 or other notice as to the Loan and Instruments by Plaintiff and are subject to jurisdiction here.

(j) Any property and assets encumbered by other debts of Defendants, satisfied by the Loan, into which Plaintiff is subrogated, such as their prior loan with Plaintiff, Loan No. 176847 [Prior Loan] for \$218,000.00 which shared the terms and signatories of the current Loan.

26. The Instruments, when read together, are the commercial Loan, that “absolutely and unconditionally” promises its “payment and collection” [Note ¶¶ 2, 14, Guaranty ¶¶ 1-3]. Debtor and Business and others are “liable for its amounts due” including Co-Debtor and BETPC as their “successors and assigns” which assumed the Loan, or Business and BEPTC merged, or are their continuation, or combined to fraudulently avoid their debts [Note ¶ 13, Guaranty ¶¶ 3, 8]. It bars their counterclaims, offsets and defenses except payment [Note ¶ 13-14, Guaranty ¶¶ 2, 8]. It provides for payment of interest, costs, other charges and fees [Note ¶¶ 2, 5, 8, 10, Guaranty ¶¶ 1, 7]. It is enforceable by remedies Plaintiff may simultaneously pursue, including on the debt and Security Agreement [Note ¶¶ 21, 25, Guaranty ¶¶ 1, 11, 14, 20]. It was ratified by Defendants who accepted and retained the Funds.

27. Defendants breached and defaulted upon the Instruments, such as but not limited to misrepresentations when obtaining the Loan, defaulting just after the Closing, failing to disclose their debts or other issues, failing to make payments, obtaining unapproved loans, dissipating, disposing of and benefitting from property and assets secured by the Loan such as those of Business and Debtors. They did so to impair, hinder, delay and prevent enforcement of the Loan, to defraud Plaintiff after the Closing, which they did not cure even after demand by Plaintiff. These matters require equitable relief, for which there is no adequate legal remedy

given this conduct for which Defendants are liable. Business was undercapitalized of which Defendants are alter-egos or constitute a partnership or enterprise.

28. Plaintiff owns and holds the defaulted Instruments, which has standing to enforce them prior to commencing suit, whose principal balance and value exceeds \$76,000.00, with attorney's fees, pre-judgment interest and other charges provided by law and their terms [Note ¶¶ 2, 5, 7, 8, 9, 10, 12, Guaranty ¶¶ 1, 7].

29. Plaintiff reasonably relied upon the representations of Defendants through Debtor and Business and paid the Funds to them, which closed the Loan with them as a result.

30. Defendants accepted the Funds, who are fraudulently, wrongfully or unjustly enriched with them at Plaintiff's expense, by retaining them, their property and assets.

31. Defendants are indebted to Plaintiff for the Funds, of which their property and assets are secured as collateral per the Instruments.

32. All interests in the property and assets of Defendants are subject to, subordinate and inferior to Plaintiff's interest, of which they had notice or knowledge, who will not be prejudiced or subjected to injustice by the relief sought.

33. All conditions precedent to suit to occurred, were fulfilled, or waived, or their occurrence or fulfillment were unnecessary or futile.

**COUNT I: ENFORCEMENT OF SECURED INSTRUMENTS
AND RELATED RELIEF AS TO ALL DEFENDANTS**

34. ¶¶ 1-33 are incorporated.

35. The Instruments are intended to bind the recipients and beneficiaries of the Funds, such as Defendants which they assumed, adopted and ratified.

36. The Instruments are secured by all property and assets of Business and Debtors by their terms and or due to their conduct, which the Defendants assumed, adopted and ratified.

37. Defendants breached the Instruments, requiring enforcement of the Instruments as to their property and assets, per the terms of the Instruments or based upon their conduct.

38. Defendants accepted the Funds, which they wrongfully retain, who are otherwise unjustly enriched by retaining them with their property and assets.

39. Defendants cannot enjoy any beneficial interest in their property and assets without violating equitable principles, due to their misconduct.

40. The Instruments are enforceable as to the property and assets of Defendants as a secured debt, for which there is no adequate legal remedy, requiring equitable relief, which will not prejudice anyone, reflecting the obligations of the Defendants under the Loan.

41. Per 28 U.S.C. §§ 2201, 2001 and applicable law, Plaintiff requests that the Court declare and establish the Defendants are liable for the Instruments, which are a secured interest in their property and assets, enforceable as an equitable lien or mortgage, constructive trust or other like remedy, subrogated into the Prior Loan, judicially foreclosing Plaintiff's secured lien interest in all property and assets of Defendants, their fixtures, appurtenances, rents, contents and insurance, for all sums due under the Loan, in which all other claims and interests are inferior, subordinate, barred, foreclosed, quieted to all right, title, interest and equity of redemption, subject to prior liens, issuing a post-sale writ of possession and of ejectment for Plaintiff or any purchaser, without waiver of its other remedies, relating back to their execution, granting all just relief, such as its other relief pled.

**COUNT II: BREACH OF INSTRUMENTS AND
RELATED RELIEF AS TO ALL DEFENDANTS**

42. ¶¶ 1-33 are incorporated.

43. Defendants consented to and ratified the Instruments by accepting the Funds for which they are liable as co-guarantors and obligors.

44. Defendants breached the Instruments, failed to make payments, who did not otherwise comply with their terms, which are now in default and due.

45. Plaintiff accelerated the principal balance of its defaulted Instruments of which Defendants were given notice or notice was not required or is futile and the Instruments provide for payment of Plaintiff's attorney's fees and costs.

46. Per O.C.G.A. § 13-1-11, Defendants are notified unless all principal, interest and other charges due under the Instruments are paid within 10 days of service of this Complaint, then Plaintiff can enforce and invoke the fees provisions of the Instruments and the Defendants they will be indebted for Plaintiff's fees and costs.

47. Per O.C.G.A. § 7-4-16, Plaintiff is entitled to prejudgment interest with any charges as provided by the Instruments and as provided by law.

48. Plaintiff demands judgment for its damages on the Instruments as to Defendants for a principal balance of at least \$76,000.00, plus fees, interest, costs and its other charges, plus all just relief such as its other remedies.

**COUNT III: UNJUST ENRICHMENT AND
RELATED RELIEF AS TO ALL DEFENDANTS**

49. ¶¶ 1-33 are incorporated.

50. Defendants induced and encouraged Plaintiff to confer the Funds upon them through the Business and Debtor, of which they assumed, adopted and ratified.

51. Plaintiff provided the Funds to Defendants, expecting their repayment, of which they appreciated, consented, benefitted and ratified.

52. Defendants retained the Funds which should be repaid, who are otherwise unjustly enriched by them at Plaintiff's expense.

53. Per O.C.G.A. § 7-4-16, Plaintiff is entitled to prejudgment interest and other costs and charges as provided by law.

54. Per O.C.G.A. § 9-2-7 and applicable law, Plaintiff demands judgment as to the Defendants for the Funds, costs and all just relief, such as its other remedies.

**COUNT IV: MONEY HAD AND RECEIVED AND
RELATED RELIEF AS TO ALL DEFENDANTS**

60. ¶¶ 1-33 are incorporated.

61. Defendants wrongfully induced payment of the Funds which they received, hold and which rightfully belong to Plaintiff.

62. Defendants should not retain and unjustly enrich themselves at Plaintiff's expense with the Funds to which Plaintiff is entitled in good conscience and equity.

63. Plaintiff made demand for repayment of the Funds upon the Defendants by and/or through Debtor which was refused and/or unnecessary and/or futile.

64. Plaintiff demands judgment as to Defendants for the unpaid balance of the Funds, for at least \$76,000.00, plus interest, costs and all just relief, including its other remedies.

**COUNT V: ATTORNEY'S FEES AND RELATED RELIEF
AS TO ALL DEFENDANTS**

65. ¶¶ 1-33 are incorporated.

66. Defendants acted in bad faith by their misconduct, refusing to resolve the matters matters, requiring Plaintiff to bring this case and incur costs and fees.

67. Defendants were stubbornly litigious as there was no dispute of their liability, who caused Plaintiff unnecessary trouble and expense to bring suit, defaulting on the Loan.

68. Per O.C.G.A. § 7-4-16, Plaintiff is entitled to prejudgment interest plus any charges provided by the terms of the Instruments.

69. Per O.C.G.A. §13-6-11 and applicable law, Plaintiff demands judgment against Defendants for its fees, costs and just relief, such as its other remedies, if not otherwise granted.
